

BRAKE (the fall)

Long ago and far away
When I got on my knees to pray
You told me that it was only air
You knew I didn't have a clue
I couldn't get a bead on you
You positively said, He wasn't there
And at first I couldn't tell,
But then I saw so well
I was fallen out of heaven,
Into hell
 I had to brake the fall,
 Turn this 'round
 Get my feet planted on the ground
 I had to brake the fall
 And break my ties to you
Looked to the moon, looked to the sun
Into the soul of everyone,
But I couldn't find the thing you took away
You promised love but you gave me hate
And left me to a bitter fate
And stuck me with a bill I couldn't pay
And I almost took a dive
But God kept me alive
And I saw there was only one way
To survive

CHORUS

And I almost took a dive
But God kept me alive
And I saw there was only one way
To survive

CHORUS
