

## Hard Ride

Ooh baby you look so good  
Just like a model from Hollywood  
Picture perfect with a guarantee  
To make a first class fool out of me

My heart's been taking a hard ride  
Nobody can see on the inside  
There's only one thing that I ain't tried  
And that's being alone  
That's being alone

You're the same solution that I've used before  
The latest, greatest gonna give me more  
But every savior, I must confess  
Has cost me more, and loved me less

### CHORUS

I'm feeling my heart grow cold and still  
As all of my fears overwhelm my will  
I think that you could be the one for me  
But do I have the energy  
Is it still inside of me  
Cause my heart's been taking a hard ride

### CHORUS
